A Star and a Cross

Harriette S. Sherman

A Star and a Cross Harriette S. Sherman

Revisiting the years of the Second World War, so cogently portrayed in her inspiring memoir, *Love in the Time of War: A Remembering*, Harriette S. Sherman returns, with an invitation to journey back once more to the events that shaped the world as we know it today.

In *A Star and A Cross*, the devastating consequences of the Nazi policy of genocide echo through the generations, as one woman's quest to uncover the mystery of her family's disappearance reveals the depths of a tragedy. Through a child's life, three searchers are irrevocably intertwined in an uneasy alliance, when a journalist, an innkeeper, and a nun seek truth, understanding, and forgiveness together. A stunning denouement attempts to bring closure to the search, but leaves eternal questions about human nature unanswered.

Profound, hard-hitting, and suspenseful, this touching novella penetrates the historical and the emotional, and confirms Harriette S. Sherman as a powerful storyteller.
