**The Cultures of Work Organizations** Harrison M. Trice, Janice M. Beyer

This is the first, most comprehensive integration and synthesis of the growing literature on the cultures of work organizations. It offers a cultural perspective that is compatible with mainstream theories of organizations, while drawing upon the literatures in sociology, anthropology, organizations, communications, education, public administration, management, and business to illustrate the major components of work-related cultures. It will benefit professionals who are consultants, trainers, organizational development agents, and literate managers.
