## Les figures de l'humanité: Perspectives transculturelles (Philosophie und Transkulturalität / Philosophie et transculturalité) (French Edition)

Y-a-t-il encore une humanité unique ? Le processus de globalisation de modèle politique 'occidental' et d'économie capitaliste serait-il à l'origine d'une scission en 'humanités' privilégiées et 'humanités' marginalisées ? Ce volume développe ces questions dans un esprit critique et la perspective transculturelle du dialogue arabo-allemand de l'UNESCO, auquel participent des représentantes et représentants de la philosophie théorique et politique, de l'histoire de la philosophie, de l'esthétique, ainsi que de la science des religions.
