Living a Life of Balance: Women of Faith Study Guide Series Women of Faith

Living a life of balance is easier said than done. We try so hard to be everywhere at once, to be all things to all people, to our husbands, to our jobs, but before we know it, we're completely worn out and a life of balance seems virtually impossible.

Living a Life of Balance will encourage women to slow down and take a closer look at how they are living their life. It will offer the guidance, hope and rest women are searching for in their busy lives.

Reaching an audience across racial, socio-economic, denominational, and age boundaries, these guides will enhance the lives of women as they empower them in their weekly devotions. The study guides can be used for both individual and group settings.

Women are asking good questions about their faith. With our study guides, we want to join them in their quest for knowledge and lead them in finding the answers they are seeking.
