Perform timeless Violin works with Thracia Symphony Orchestra! Perfect for practice, rehearsal, auditions, contest solos, performances, and more! In 1775, at the ripe old age of 19, Mozart decided to write a few violin concerti. His efforts that year (among other things) provided us with five of the greatest such works in musical history. Here is his first effort, a beautiful classical violin concerto, with all the Mozart trademarks. We also include the Rondo Concertant, which Mozart wrote as a replacement third movement for this concerto, though it later became a popular piece on its own standing! This edition includes a special reduced-tempo version to help you "get up to speed."

Includes a high-quality printed music score, with informative liner notes, and two compact disc containing a complete digital stereo version with soloist; then a second version of the orchestral accompaniment, minus the soloist. Includes a -12.5% reduced tempo version of the accompaniment for your practicing ease.
