Webb Chiles

Return to the Sea: From Boston to Portugal and on to Senegal, Brazil, Cape Town, and Sydney, a Sailing Legend Completes his Fourth Circumnavigation Webb Chiles

Renowned sailor and author Webb Chiles, whose adventures were previously chronicled in *A Single Wave*, returns with a beautifully written account of his fourth circumnavigation. Chiles departs with his wife, Carol, leaving the bleak winter of Boston Harbor and his despair over the near-fatal loss of his previous vessel, *Resurgam*. His joy in being at sea again makes this a joyous and inspiring story.

Chiles tempts his readers to make the voyage too, observing some of the great harbors of the world with a true sailor's eye, exploring the Atlantic ports of Portugal, Africa, and Brazil, crossing the Southern Ocean, and finally arriving in Australia. On board *The Hawke* of Tuonela, he writes lyrically about time and memory at sea, the appeal of lying at anchor off a small village, his hardest passage in a quarter century, and his unique philosophical view of life under sail.
