See How They Run: A Loveswept Classic Romance Bethany Campbell

In this harrowing, pulse-pounding story of romance and danger by Bethany Campbell, two strangers race to save innocent children from a crime lord's hit men.

A gifted teacher for special-needs children, Laura Stoner loves her charges, especially eight-year-old autistic twins Rickie and Trace Fletcher. An ordinary day on the school playground turns into a nightmare when shots ring out and an old man lies dead. By witnessing the drive-by shooting, the boys become innocent targets of a dangerous syndicate. Now U.S. Attorney Mike Montana is tasked with getting the boys and their beautiful, determined teacher out of harm's way.

But it's getting harder by the minute. There's a leak inside the Witness Protection Program and no matter how fast or far they run, the bad guys spot their every move. Part of Mike wants to deny the fierce possessive attraction growing for Laura. But desire wins, and soon he's in over his head, aware that nothing means more to him than getting them all out of this one alive.

Includes a special message from the editor, as well as excerpts from these Loveswept titles: *In the Arms of the Law*, *Ivy Secrets*, and *The Rose of Blacksword*.
