This book is about the starting point of all personal and spiritual growth, the realization of your own reality.

Osho introduces George Gurdjieff, one of the most significant masters of this age. He used to say, "You are in prison." If you wish to get out of prison - the first thing you must do is realize that you are in prison... or you are the prison. Osho emphasizes this as something to be always remembered as one of the first principles for any seeker of truth.

From a series of OSHO Talks titled: The Invitation. This OSHO Talk is complete in itself. Recorded at the Osho International Meditation Resort, Pune, India. The series The Invitation is available in audio format.
