Il ritorno del Califfato: L'ISIS in Siria ed Iraq (Italian Edition) Philippe Bannier

Il pericolo dello Stato islamico nel Cuore del Medio Oriente continua a richiedere una risposta sulle sue origini, le sue potenzialità e il suo futuro. La sua visibilità mediatica corrisponde effettivamente al suo peso? Quali sono le verità di un'organizzazione i cui leader rimangono in segreto e quali sono i loro progetti? Lo Stato islamico è cresciuto attraverso la guerra civile siriana ed il caos che è seguito in Iraq dopo il 2003. I suoi dirigenti hanno portato avanti la loro campagna militare dallo scorso decennio, a cominciare dalle vittorie del califfo Abou Bakr Al-Baghdadi. Mentre le Potenze regionali soffiano sempre di più sulle braci della discordia per mezzo dei loro clienti locali, migliaia di Europei prendono il cammino della Siria per entrare a far parte della jihad continuando così ad alimentare il clima di violenza che regna in quest'area. Nel momento in cui le Rivolte arabe del 2011, che avevano suscitato molte speranze nella regione e non solo, sono rimesse in discussione in alcuni Paesi, questo libro cerca di spiegare uno dei fenomeni più importanti della scena internazionale di inizio XXI secolo.
