## **L'altra narrativa 1 - Rendell, Schmitt, Strout (Italian Edition)** Dina Lentini

Nel panorama della letteratura contemporanea non ci sono solo le migliaia di sfumature grigie o rosse o blu. Non c'è solo il feuilleton di bocca buona, il bestseller venduto a centinaia di migliaia di copie che sostituisce la realtà con una finzione della realtà comoda e pacificante. Esistono anche scrittori contemporanei di successo che negli anni recenti hanno mantenuto un profilo letterario alto, sia per il livello stilistico raggiunto, sia per l'impegno posto, attraverso la costruzione di storie, nella comunicazione di problematiche morali, sociali e semplicemente umane. Questa è "l'altra narrativa", una narrativa scritta non a fini commerciali. Ed è sorprendente quanto possa essere meno noiosa di tanti decantati bestseller dalla vita effimera.
