As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also

can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like.
