The Complete Guidebook to Yosemite National Park Steven P. Medley

Created by the people who know Yosemite best, this guidebook has become a standard reference for park visitors and is now available in a revised and expanded edition. This title features things to see and do, provides reservation information and dining options for all areas of the park, lists hiking trails and backpacking tips, and covers major and little-known natural features. Also included are information on roads and gateway communities, tips on how to reserve a campsite, photos of flora and fauna, and a list of important phone numbers. New to this seventh edition are updated information on internet and mobile phone access, a history of rock climbing in the area, and all new photographs and maps.
