## **The House of Mirth** Edith Wharton

The House of Mirth (1905), by Edith Wharton, is the story of Lily Bart, a well-born, but penniless woman of the high society of New York City, who was raised and educated to become wife to a rich man, a hothouse flower for conspicuous consumption. As an unmarried woman with gambling debts and an uncertain future, Lily is destroyed by the society who created her. Written in the style of a novel of manners, The House of Mirth was the fourth novel by Edith Wharton (1862–1937), which tells the story of Lily Bart against the background of the high-society of upper class New York City of the 1890s; as a genre novel, The House of Mirth (1905) is an example of American literary naturalism.

So you can see the represented of the world on this book.

#### **Annette Dixon:**

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The House of Mirth can make you feel more interested to read.
