La casa tra le nuvole (Italian Edition) Laura Moscato

Esistono amori che sfidano lo spazio e il tempo e si impongono per la loro inevitabilità.

È quello che succede a Viola, la protagonista di questa storia, quando si ritrova da sola con le due persone più importanti della sua vita e nasce in lei l'urgenza di rispondere ad una sola domanda: si possono amare due uomini nello stesso momento?

In un continuo andirivieni fra reale e tempo della memoria, Viola troverà la soluzione tanto cercata, non senza fare i conti con le ombre e le luci del suo passato.
