Learning the Hidden Curriculum: The Odyssey of One Autistic Adult Judy, MSW Endow

Drawing from her personal experiences, Judy Endow, author of the 2009 and 2010 Hidden Curriculum Calendars, provides lots of hidden curriculum items that pertain to most areas of adult life. In relating how she personally has learned to more successfully maneuver social interactions, she also presents a framework for others to develop the ability to more quickly assess a situation and take steps to avoid making social blunders BEFORE they have been committed. A sampling of strategies includes Pause and Match, Laugh Along, Recognize and Expand Black-and-White Thinking, and It Is Not Necessary to Report All My Truths. Judy's framework enables readers to learn to create their own social "rules" and, as a result, live freer, more successful lives. The fact that this book is written by an autistic person who has learned by trial and error makes it all the more valuable.
