The Fundamentals of Interior Design

Simon Dodsworth, Stephen Anderson

The Fundamentals of Interior Design Simon Dodsworth, Stephen Anderson

The second edition of *The Fundamentals of Interior Design* provides a thorough introduction to the key elements of interior design and the ideas that underpin them. The book describes the entirety of the creative process, from researching initial ideas to realizing them in three-dimensional form. Throughout the text, guidelines are given to provide structure to the interior design process and the reader is encouraged to adapt and initiate methodologies to suit individual project needs. This approach is intended to give designers a belief in their own abilities, and the confidence to tackle different projects with the unique challenges that each one brings.

The book features a variety of diagrams and talking points to encourage students and practitioners to think about key issues such as understanding spatial relationships and the use of sustainable materials.

This second edition includes new case studies focusing on well-known international interior design studios, such as Conran and Partners, UK, Slade Architecture, US, Gensler, US and award winning architects Chae-Pereira in South Korea.

The introduction of interviews with contemporary interior designers allows readers an insight in to the working world of interior design.

The new projects allow students to explore what they have learned in each chapter through experimentation and these activities encourage creativity and further learning.

From reader reviews:

Marian Buell:

Are you kind of active person, only have 10 or maybe 15 minute in your moment to upgrading your mind talent or thinking skill even analytical thinking? Then you are receiving problem with the book as compared to can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be study. The Fundamentals of Interior Design can be your answer given it can be read by a person who have those short extra time problems.

Henry Stehle:

Reading a book to be new life style in this year; every people loves to learn a book. When you go through a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, and also soon. The The Fundamentals of Interior Design provide you with new experience in examining a book.

Randall Wilmes:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Fundamentals of Interior Design can make you feel more interested to read.

Deon Henderson:

Reading a book make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is written or printed or created from each source which filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just searching for the The Fundamentals of Interior Design when you essential it?
