Warrior for Justice: The George Eames Story Kathy Andre-Eames

A couple confronts the racial divide in Louisiana.

In an era when segregation was commonplace, an educated, white woman from a small Southern town fell in love with a black paraplegic divorcee. To say this match was unfavorable to most would be an understatement. Despite the animosity they faced, Kathy and George Eames forged a life inspired by this controversy-fighting for civil equality. Working with the local NAACP, George fought against racism and discrimination, bringing to light instances of violence that were hidden from the public and calling for change in all aspects of the community. This is a story of hope and courage. It is a story that needs to be read today to remind the world how much change is needed.
