**The greatest gift you can give your child**

Your child's early years can be an exciting--and challenging--time for you as a parent. Fortunately, you don't have to do it on your own. God has a one-of-a-kind plan for the little life he has placed in your care, and it's never too soon to begin praying for this plan to unfold. *Praying Through Your Child's Early Years* will show you how.

This year-by-year guide is the perfect prayer handbook from your child's birth through age five. Inside, you'll find stories, tips, and prayers for every important milestone--from crawling, walking, and table eating in baby's first year to helping with everyday chores once baby becomes a big boy or big girl. Journaling space for each phase of development helps you and your child remember in years to come how God was at work at every stage. Each chapter contains a special list of Scripture verses to guide further prayer and meditation on God's Word.

Give your child the greatest gift of all: a parent's prayers for the Father's protection and the Spirit's presence in every season of life.
