"Trim Complete" covers those important finishing touches that give a house a one-of-a-kind personality: trim and modling. An expert carpenter, Greg Kossow presents a vibrantly visual guide that details every possible project, from the most basic baseboards, to the most complicated casings. He tackles real-world situations with authoritative advice, never failing to address how to solve problems when things do go wrong. The book's ingenious design makes it a snap to find the relevant information for each project and Kossow includes a crystal-clear table of contents.
