Armageddon's Arrow (Star Trek: The Next Generation)

Dayton Ward

Armageddon's Arrow (Star Trek: The Next Generation) Dayton Ward

An all-new novel of *The Next Generation* expanded universe from the *New York Times* bestselling author!

It is a new age of exploration, and the U.S.S. *Enterprise* is dispatched to “the Odyssean Pass,” a region charted only by unmanned probes and believed to contain numerous inhabited worlds. Approaching a star system with two such planets, Captain Jean-Luc Picard and his crew find a massive alien vessel, drifting in interstellar space for decades. Sensors detect life aboard the derelict—aliens held in suspended animation. Thought to be an immense sleeper ship, the vessel actually is a weapon capable of destroying entire worlds...the final gambit in a war that has raged for generations across the nearby system. Captain Picard is now caught in the middle of this conflict and attempts to mediate, as both sides want this doomsday weapon...which was sent from the future with the sole purpose of ending the interplanetary war before it even began!
