Due piccoli passi nell'ombra (Italian Edition) Daniele Boscarato

Due piccoli passi nell'ombra è la raccolta di due racconti (Una notte al liceo, nella sua seconda edizione, rivista e corretta, e Gli occhi non dimenticano), entrambi già pubblicati singolarmente, nonché di una breve anteprima in tre stralci del racconto di prossima pubblicazione intitolato Cara Aurora.

Due piccoli passi nell'ombra perché le due storie contenute al suo interno, sebbene fondamentalmente differenti, sono accomunate da una fitta aura di mistero, di oscura irrazionalità; sono legate l'una all'altra da uno stesso fil rouge che si dipana nel corso della narrazione e che tenta di insinuarsi nelle crepe più leggere della nostra ragione: "Quante volte, sognando, si avverte la sensazione di non potersi svegliare? Un sentimento cupo e viscerale. Una paura arcana che alberga nel profondo e si espande in modo incontrollato, dal cuore sino alle più remote periferie del corpo. Ma cosa accadrebbe se davvero non si potesse riaprire gli occhi? Se il sogno o, meglio, l'incubo divenisse la realtà che viviamo? Una realtà dettata dalle informi proiezioni di un inconscio indomito?"
