Determined to stop a bitter man from decimating a mountain community, Special Ops agent Clay Senate pairs with FBI agent Vanessa Walker. Clay is a loner, but Vanessa's beauty and outgoing personality soon undermine his defenses. It's not long before her appreciation for their shared Native American heritage unleashes a long-denied need in him.

Vanessa senses that Clay is hunting for more than just a killer. Accustomed to taming wild animals, she thinks she can tackle both his needs. But as the hunt grows deadly and passions flare, Vanessa faces her most challenging assignment—turning this temporary mission into a lifelong marriage.
