Imagine having some of the most trusted and respected experts in natural medicine talk to you about your health concerns. For *The Natural Pharmacy*, several highly qualified experts in the field have come together to create a natural health information resource that is comprehensive and user-friendly.

Based on the information from *Healthnotes Online*, this book is a standard for accurate, fully referenced, and up-to-date health information. Now in its second edition, *The Natural Pharmacy* is increasingly where people turn for natural healthcare answers.

- It's Healthnotes Online in book form!
- 2nd edition—NEW and expanded—covers all major ailments and conditions
- Includes herbs, vitamins, minerals, and homeopathic remedies
- Easy-to-find info on dosages and side effects

"*The Natural Pharmacy* delivers scientifically sound information from leading experts. In fact, the greatest accomplishment of the *The Natural Pharmacy* is that it provides a clear, concise interpretation of the science behind natural medicine."—**Michael T. Murray, ND, author of *The Encyclopedia of Natural Medicine and The Healing Power of Herbs***

"From the foremost experts on herbs, homeopathy, and nutrition, this reference is an excellent source book for help with the most common health conditions. I think you'll find yourself turning to this book often."—**James A. Duke, PhD, Medical Botanist USDA (ret), author of *The Green Pharmacy***

"A handful of doctors—including the authors of this fine reference book—have pioneered the use of natural therapies. *The Natural Pharmacy* will facilitate the acceptance of these beneficial natural therapies and give readers a useful road map as they join us on 'the road less traveled.'"—**Julian Whitaker, MD, Editor, *Health and Healing* newsletter**

"Don't be misled by the title; this isn't just about herbs and vitamins. With a list of contributors that reads like a 'Who's Who' of natural medicine, this superb guide thoroughly covers clinically proven natural treatments for most common medical conditions. An easy-to-use, valuable resource for consumers and practitioners alike. Recommended."—*Library Journal*
