A Light That Never Goes Out: The Enduring Saga of the Smiths

Tony Fletcher

A Light That Never Goes Out: The Enduring Saga of the Smiths Tony Fletcher
The definitive book about The Smiths, one of the most beloved, respected, and storied indie rock bands in music history.

They were, their fans believe, the best band in the world. Hailing from Manchester, England, The Smiths--Morrissey, Johnny Marr, Andy Rourke, and Mike Joyce--were critical and popular favorites throughout their mid-1980s heyday and beyond. To this day, due to their unforgettable songs and lyrics, they are considered one of the greatest British rock groups of all time--up there with the Beatles, the Stones, the Who, and the Clash.

Tony Fletcher paints a vivid portrait of the fascinating personalities within the group: Morrissey, the witty, literate lead singer whose loner personality and complex lyrics made him an icon for teenagers who felt forlorn and forgotten; his songwriting partner Marr, the gregarious guitarist who became a rock god for a generation of indie kids; and the talented, good-looking rhythm section duo of bassist Rourke and drummer Joyce. Despite the band's tragic breakup at the height of their success, *A Light That Never Goes Out* is a celebration: the saga of four working-class kids from a northern English city who come together despite contrasting personalities, find a musical bond, inspire a fanatical following, and leave a legacy that changed the music world--and the lives of their fans.
