In Pumpkins County, weird things happen every day, but nobody ever makes a fuss. Nobody, that is, except the Creeps: Carol, a big-city girl new to Pumpkins County, who finds kindred spirits in Mitchell (monster expert), Jarvis (military brat with logistics know-how), and Rosario (girly girl on the outside, muscle underneath). The Creeps are on the case to figure out the spooky mysteries and still get to class on time. Last week it was a pudding monster. This week, it's killer frogs--reanimated from the team's biology class dissection experiment. Who's behind the Frankenfrog attacks? The Creeps will track down the answers! In this new creepy graphic novel series, Chris Schweizer's art is full of the visual excitement that only the best graphic novel creators can pull off.

#### **Jesus Brewster:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Creeps: Book 1: Night of the Frankenfrogs can make you experience more interested to read.
