According to the CMCI, a Certified Construction Manager CCM must meet the prescribed criteria of the CCM program with regard to education, field experience and demonstrated comprehension of the CM body of knowledge. The CCM exam is a multiple-choice exam based on the CM Body of Knowledge. These are the core competencies being covered: Project Management Cost Management Time Management Contract Administration Quality Management Professional Practice Safety & Risk Management We create these self-practice test questions (80+ questions) module referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to “simulate” actual exam questions. “realistic” or actual questions are for cheating purpose and are NOT available in any of our products.
