Susan Taylor lay on her side in the front seat of the car. She knew very well the man could see beneath her skirt all the way to where the blue lace of her panties interrupted the line of her long, tanned leg. Even in the darkness of the night the small lights on the dash were more than adequate to show plenty of skin. She was barelegged and shoeless. She thought she felt a couple of pubic hairs sticking out of the leg band of her panties and wondered if he could see them. She had seen herself like that at home in the mirror while lying on her bed and thought it looked pretty sexy to be all sprawled out with one or two curls visible from inside the silky undergarment.
