## **Historia de Cataluña (Spanish Edition)** David Agustí

Historia de Cataluña muestra el camino cronológico y existencial de un territorio que desde la Edad Media ya poseía sus propias instituciones de gobierno. Recorre todos los periodos históricos de Cataluña: desde sus orígenes, las distintas colonizaciones griega, íbera y romana, los visigodos y el mundo musulmán, los primeros condes catalanes, la unión con la Corona de Aragón, el compromiso de Caspe y Fernando el Católico, la guerra de los Segadores, la dinastía borbónica, la guerra de Sucesión y posterior derrota catalana, el crecimiento económico catalán, la guerra contra el francés y Fernando VII, la Primera República, el catalanismo político, la Revolución Industrial y el movimiento obrero, la Lliga Regionalista, la Semana Trágica, la dictadura de Primo de Rivera, la Segunda República y la Guerra Civil con el horror de la represión franquista, el mantenimiento de la cultura catalana y el fin de la dictadura, la transición democrática, hasta la época actual. En todo el texto prevalece un afán de divulgación mesurada y sin tópicos. Estas guerras, dinastías y los diversos trances sociales y políticos conforman el carácter de un pueblo que siempre ha pretendido mantener su cultura y su personalidad. Es en definitiva, una crónica en forma de síntesis periodística y obra de consulta que ilustra la realidad de un pueblo, el catalán.
