Return to a Sexy Island

Neil Humphreys

Return to a Sexy Island Neil Humphreys

Singapore got sexy and the country's best-selling author got jealous. After five years chasing echidnas and platypuses in Australia, Neil Humphreys returns to Singapore to see if the rumours are true. Like an old girlfriend getting a lusty makeover, the island transformed while Humphreys was away. Singapore is not just a sexier island, it's a different world. So Humphreys embarked upon a nationwide tour to test that theory. He went in search of new Singapore, visiting only locations that either did not exist five years ago or had been extensively rebuilt, renovated or revamped in his absence. From the cloud-topped heights of Marina Bay Sands and Pinnacle@Duxton to making ill-advised bomb jokes at the subterranean tunnels of Labrador Park, Humphreys walks, cycles, kayaks and swims across a rapidly evolving country, meeting Guinness-swigging aunts in Resorts World Sentosa, eccentric toy museum owners in Bugis, political activists in Aljunied and a security guard at Marina Barrage ready to 'tekan' anyone who crosses his path. In new Singapore, Humphreys discovers a country still grappling between the economic rewards of progress at Biopolis and Fusionopolis and the historical cost at Bukit Brown Cemetery. With Humphreys' characteristic honesty and wit, *Return to a Sexy Island* provides an insightful account of new Singapore; its best bits, its ugly bits and, most importantly of all, what it's really like to pee in the world's best toilet. Every Singapore resident, tourist and would-be visitor should read this book.

Dianne Tripp:

What do you with regards to book? It is not important together with you? Or just adding material when you require something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question due to the fact just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this Return to a Sexy Island to read.

Mamie Crossett:

Information is provisions for those to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is in the former life are challenging be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Return to a Sexy Island as your daily resource information.

Jonathan Rodriguez:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Return to a Sexy Island can make you sense more interested to read.
