Simply Stairs: The Definitive Handbook for Stair Builders Mark Milner

Simply Stairs is a 'how to' book which guides the reader through all aspects of the design and construction of a wide range of timber staircases, step-by-step. It provides anyone with a basic knowledge of woodwork with the know-how and confidence to build this most important of building elements – from start to finish! The author's philosophy of methodical working, checking and double-checking, avoiding pitfalls and mistakes, and reaping the rewards of producing strong, well-designed staircases which fit beautifully in their intended locations will be appealing to all readers. This is recounted in a relaxed and informal writing style which maintains the reader's interest.

The book will be a valuable guide for students of carpentry and joinery, apprentices, lecturers and trades people and professionals as well as those involved with DIY and self-build projects
