Songs of Deliverance Marilyn Griffith

They say time heals all wounds--but sometimes that's just not enough.

Fifteen years ago, Zeely Wilkins and Ron Jenkins were students that most people had stopped believing in. Lucky for them, their teacher recognized they were the cream of the crop and just needed the right soil.

Though they went their separate ways, the past has called them back to the school and the teacher who wouldn't give up on them. Now they'll have to decide what love really means--and whether they're willing to dance to a new tune to get it. But can they rediscover the songs of deliverance that once brought them together? Or will their secrets keep them apart?

In this soul-searching and suspenseful story, Marilyn Griffith invites you to believe in the power of truth, love, and redemption.

Marilynn Griffith is a freelance writer and conference speaker whose online columns and blogs reach thousands of women each year. She is the author of the Shades of Style series and *Rhythms of Grace*. Marilyn lives in Florida with her husband and their seven children.
