## The Magic Book

An introduction to the world of magic, this book aims to teach the reader how to perform a variety of tricks using cards and other readily available objects. The magicians world of deception is explained in an easily-followed format using step-by-step illustrations, diagrams and photographs to allow understanding of each stage of the trick. Tips are given on creating an individual magic programme for performance in front of an audience and ways of presenting the magic tricks. The book contains sections explaining card tricks, escapology, sleight of hand, mind-reading illusions and reveals the secrets behind dummy cards, box and bag devices and shaved packs.
