**Captain Blood** Rafael Sabatini

**A thrilling tale of piracy, justice, and honor on the high seas from the author of *Scaramouche***

Retired soldier Peter Blood lives a happy, comfortable life as a physician in seventeenth-century England. Yet everything changes one fateful evening when he saves the life of the wrong patient: a young rebel involved in an uprising against King James II. For doing his job and obeying the Hippocratic oath, the shell-shocked Blood is convicted of treason and sentenced to ten years in Barbados, toiling as a slave.

Once in the Caribbean, however, Blood has other plans. The daring doctor wins over his peers with his courage and skill, falls in love with the plantation owner's niece, and begins to plot his escape. When a Spanish privateer attacks the plantation town, Blood seizes his chance, and with the help of his fellow slaves, pulls off a daring heist of the pirates' ship. Based on a true story, *Captain Blood* is an immensely satisfying high-seas adventure for the ages.
