Lori Baker

Crazy Water: Six Fictions Lori Baker

In *Crazy Water: Six Fictions*, Lori Baker pushes the boundaries between truth and reality with curious, tragicomic results. The imagination is Baker's terrain, and in these stories, pleasant suburban childhoods, family drives, seaside vacations, and an academic's quest for tenure all are strangely warped, yet nonetheless still mirror a world we thought we knew. In these brief pages, boys become dogs, students hide in the molluscan places, and mothers do their best to rescind their unsatisfying children.

"I say things smugly as if I understand them, muses one of Baker's narrators. Indeed, characters and readers alike are undermined in these deft and quirky fictions. Exposing and imploding all of our expectations, Baker shows us how menacing (and funny) the apparently ordinary can be.
