Inspirational memoir suitable for nursing homes, ministers to the elderly and families caring for aging parents; even when her mind is gone a great grandmother's faith continues strong and changes lives. This book is a powerful comfort to those whose loved ones have been diagnosed with Dementia or Alzheimer's disease. It shares a lovingly written testimonial of how a well-loved grandmother continued to live a satisfying and productive life of faith long after the disease stole her ability to live independently or recognize her family. It is highly recommended reading for ministers working in nursing homes as well as families dealing with the dementia or Alzheimer's disease.
