Monday's Child must Hide for Protection... This was not the assignment Luke Nemec expected when he came to the UK—babysitting a beautiful widow. It wouldn't be so bad if Sara wasn't such a hostile witness. Despite her complaints and continued jibes, Luke finds himself falling for her. When, Sara Barnes is thrown into the witness protection program, she becomes the 'wife' of Lt. Luke Nemec, an American cop on temporary assignment with the British police. Despite Luke's American bravado, she finds he's kind and considerate in ways her late husband never was. But things aren't always what they seem, and Luke soon realizes he's fighting a battle of two fronts to keep Sara safe. Loyalties are called into question, and he's no longer certain who he can trust. Luke is way out of his depth. As the threats against Sara escalate, it's a race against time to find her husband's killer before Sara is silenced forever.
