No Borders: A Journalist's Search for Home Jorge Ramos

From his childhood days in Mexico, to his experience of censorship in government-owned Mexican media companies, his student years in LA, and his early beginnings as a journalist in the USA, Ramos gives us a personal and touching account of his life.

With a series of intimate portraits of the leading political figures he has interviewed over the years (Castro, George W. Bush, Chavez, Clinton) and the places he has been, he reflects on world events and how they have changed, not only humanity, but his own life.
