From the *New York Times* bestselling author of the *Marked Men* books comes the second installment in the *Saints of Denver* series featuring a bad girl and a by the book attorney who could be her salvation...or her ruin.

Avett Walker and Quaid Jackson's worlds have no reason to collide. Ever. Quaid is a high powered criminal attorney as slick as he is handsome. Avett is a pink-haired troublemaker with a bad attitude and a history of picking the wrong men.

When Avett lands in a sea of hot water because of one terrible mistake, the only person who can get her out of it is the insanely sexy lawyer. The last thing on earth she wants to do is rely on the no-nonsense attorney who thinks of her as nothing more than a nuisance. He literally has her fate in his hands. Yet there is something about him that makes her want to convince him to loosen his tie and have a little fun...with her.

Quaid never takes on clients like the impulsive young woman with a Technicolor dye job. She could stand to learn a hard lesson or two, but something about her guileless hazel eyes intrigues him. Still, he's determined to keep their relationship strictly business. But doing so is becoming more impossible with each day he spends with her.

As they work side-by-side, they'll have to figure out a way to get along and keep their hands off each other—because the chemistry between them is beyond charged.
