Drawing in the Sea Harriet Russell

Do you know that water covers nearly 70 percent of the earth and that nearly 70 percent of the human body is made up of H₂O? That more than half of the earth's species live in water? Or that the sea reflects the sky, so is most often blue, but can also appear green, gray, turquoise, or brown, depending on light, algae, or plant life? With its witty pen and ink illustrations, each page of this activity book engages readers of all ages with fun facts about the intricate world of the sea. Readers learn how to fold an origami boat, sketch fantastical fish, and draw daring tattoos on a sailor's arm, while discovering more about the substance that is so essential to our lives that it's sometimes called "Adam's ale."
