**Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition)** Rodrigo de Oliveira

Estamos em 2017.

Cientistas descobrem um planeta vermelho em rota de colisão com a Terra.

Depois de muito pânico nos quatro cantos do mundo, os astrônomos asseguram que o planeta passaria a uma distância segura e todos ficam tranquilos acreditando que nada iria acontecer...

Mas não podiam estar mais enganados.

No dia em que o planeta estaria mais visível a olho nu, enquanto todo o mundo se preparava para observar o fenômeno, um grupo seguia para um compromisso chato: fazer hora extra num sábado, pois todos os projetos estavam muito atrasados.

Na hora do almoço, 16 pessoas entram no elevador... mas ele para entre dois andares.

As comunicações não funcionam, nem alarmes ou celulares, ninguém aparece para ajudar. E eles não sabem que, em todo o mundo, algo muito estranho aconteceu. Em poucos segundos, 10 pessoas caem num surto coletivo, como que desmaiadas. Entre o desespero e tentativas de busca por ajuda, um deles começa a abrir os olhos. Mas eram olhos vazios, olhos do mal...

Este livro conta uma história que ocorre no exato momento em que o nosso mundo se transforma. Traz personagens que vivem o intenso evento cósmico que mudaria a Terra para sempre.

Leia, comente, discuta, conheça uma história paralela da série As Crônicas dos Mortos. O primeiro dos cinco livros é O Vale dos Mortos.

### **From reader reviews:**

#### **Karl Schueller:**

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even a problem. What people must be consider whenever those information which is from the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition) as the daily resource information.

#### **Kevin White:**

Reading a e-book tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition).

#### **Lillian Robbins:**

Playing with family inside a park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, and then why you don't try matter that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition), you are able to enjoy both. It is good combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout folks. What? Still don't get it, oh come on its named reading friends.

#### **Shirley Cochran:**

That publication can make you to feel relax. This particular book Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition) was colorful and of course has pictures on the website. As we know that book Elevador 16 (As Crônicas dos Mortos) (Portuguese Edition) has many kinds or genre. Start from kids until young adults. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore not at all of book are make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.
