Motorcycle riders today have an increasingly sophisticated and more specialised range of bikes to choose from but interest in classic bikes has also influenced the design of these new machines. Looking back across the 100 years or so of the motorcycle, my cool motorcycle features over 60 stylish bikes of all shapes and sizes along with a cross-section of passionate owners and their personal stories. Many of these iconic bikes have been customised with unique styling and the high-quality, stylish photography illustrates a plethora of bike detailing covering signage, gauges, dials and bike typography. The book also includes details of extraordinary intercontinental journeys, bike culture, early examples of powered bicycles used in the First World War through sidecars for carrying the family to cutting edge, 21st century design capable of speeds over 150mph, bike collectors, iconic legends of motorcycle racing, and a look at different uses for motorcycles.

You are so out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

Justin Tapscott:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this my cool motorcycle: an inspirational guide to motorcycles and biking culture can make you feel more interested to read.
