White Sports/Black Sports: Racial Disparities in Athletic Programs: Racial Disparities in Athletic Programs (Racism in American Institutions) Lori Martin

The racial makeup of sports in the United States serves as a classic example of racism in the 21st century. This book examines the racial disparities in sports and the continuing significance of race in 21st-century America, debunking the myth of a "postracial society."

- Examines how race and sports are powerful social constructions
- Presents examples of how sports can serve as both a liberating and an oppressive force
- Explains how sports influence and are influenced by society and the ways in which institutional barriers and personal practices perpetuate racism in sports and in the society at large
- Documents how historic racial stereotypes, such as the "brute" and "sapphire" caricatures, are alive and well in the world of sports

From reader reviews:

Helen Johnson:

People live in this new time of lifestyle always make an effort to and must have the time or they will get large amount of stress from both everyday life and work. So , once we ask do people have spare time, we will say absolutely sure. People is human not really a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read is *White Sports/Black Sports: Racial Disparities in Athletic Programs: Racial Disparities in Athletic Programs (Racism in American Institutions)*.

Ollie Waymire:

Reading a book to be new life style in this year; every people loves to study a book. When you read a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these kinds of us novel, comics, and soon. The *White Sports/Black Sports: Racial Disparities in Athletic Programs: Racial Disparities in Athletic Programs (Racism in American Institutions)* provide you with new experience in reading through a book.

Linda Meier:

Is it you who having spare time after that spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This *White Sports/Black Sports: Racial Disparities in Athletic Programs: Racial Disparities in Athletic Programs (Racism in American Institutions)* can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these books have than the others?

Kimberly Dyer:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *White Sports/Black Sports: Racial Disparities in Athletic Programs: Racial Disparities in Athletic Programs (Racism in American Institutions)* can make you truly feel more interested to read.
